

MISSION OAK NEWSLETTER

April 15th- April 19th

From the Principal's pen ...

Greetings Hawk Community,

Hope you have enjoyed the week that has past and looking forward to the weekend. We are half way through the the month of April and down to about eight weeks left in the school year.

As the end of the year approaches, we will keep you informed on the many events and deadlines coming up. Additionally, as we head towards the end of the year, we remind all of our students to keep their grades and attendance up! Reach out to teachers first with any concerns and contact counselors and administrators as needed. We are now in full swing with the CAASPP in English (see the schedule further down in this newsletter). Our junior students will take tests in English and Math. Advanced Placement test will be the first two weeks in May. Please encourage your child to rest and eat well before their test date.

If you have any questions or concerns, please reach out to us with those questions.
