WHAT'S  
NEW?

March 4-8, 2024

From the Principal's pen ...

Greetings Hawk Community,

Happy Friday! Hope you have had a great week! We have made it to the month of March! Spring is on the way with warmer weather and lots of events on and off campus.

Coming up soon is our accreditation process through the Western Association of Schools and Colleges (WASC). A committee of six educators from around the Valley are slated to visit our campus March 11-13. They will visit classes and talk with students and teachers about a variety of topics such as curriculum and instruction. They will also leave us a report at the end of the day on Wednesday that states our strengths and areas which need improvement. There will also be an opportunity to meet with parents on Sunday, March 10, at 6:00 PM in the library. We will share their report once we get it from them.

Check out the video of this great  
work by our AP Spanish Literature class!
