

Mission Oak High School

Weekly Newsletter December 11-15, 2023

From the Principal's Pen

Greetings Hawk Community,

We are now down to our last full week of the fall semester! It has certainly gone fast! Looking back at the semester we started with the highest enrollment in our history! Along with that growth we added 10 portables to our campus to provide more space. We also added 13 new teachers! Our aquatic complex is now really being built! Our football team is still playing football in December and has made a historic run for the first time in our district's history, a state regional victory and opportunity to play for a state championship! And finally, plans are well under way for the auto and wood shop on campus! Thank you for all the support along the way this semester!

MARK YOUR CALENDARS

Winter Session Info

Each year our District provides students opportunities to improve their grades through a Winter Session. These sessions are only for recovery of credit. Students may get an application from their counselor to apply.

This year the winter session will be held at Tulare Union High School. The Winter Session will run for 9 days:

- **Tuesday, January 2 through Friday, January 5 and Monday, January 8 - Friday, January 12**

The following classes will be offered:

Four sections of ELA using the ERWC curriculum.

- **1 Section for TU students**
- **1 section for TW students**
- **1 section for MO students**
- **1 section for Opportunity Education students**

Three Sections of Algebra 1 (one section each for TU, TW and MO). This is an extension of the first semester students that received an F and need to make up/pass their learning targets in order to pass the first semester.

One section of ELA specifically for ELD students

One section of 1st semester Freshmen Studies (Geography/Driver's Ed)

One section of 2nd semester Freshmen Studies (Health)

This year we have added a new way to report information regarding school safety. Check out the information below about our new system, the Sandy Hook Promise.

If your child needs tutoring, here are the times we have available for extra help.
