

Mission Oak High School

Weekly Newsletter December 4-8, 2023

Welcome to December

Wow, we have made it to December! Lots of great things since the first day of school and lots of great things coming up at Mission Oak. As we head into the end of the semester please remember that grades are most crucial now. At the end of the semester, December 19, grades will be final and permanent on the transcript. There is only one exemption which is for our students who are in Algebra 1 who have the opportunity to take a winter course to help move their grade from an F to a passing grade by completing the course during winter. See details on page five.

Winter Session Info

Each year our District provides students opportunities to improve their grades through a Winter Session. These sessions are only for recovery of credit. Students may get an application from their counselor to apply.

This year the winter session will be held at Tulare Union High School. The Winter Session will run for 9 days:

- **Tuesday, January 2 through Friday, January 5 and Monday, January 8 - Friday, January 12**

The following classes will be offered:

Four sections of ELA using the ERWC curriculum.

- **1 Section for TU students**
- **1 section for TW students**
- **1 section for MO students**
- **1 section for Opportunity Education students**

Three Sections of Algebra 1 (one section each for TU, TW and MO). This is an extension of the first semester students that received an F and need to make up/pass their learning targets in order to pass the first semester.

One section of ELA specifically for ELD students

**One section of 1st semester Freshmen Studies
(Geography/Driver's Ed)**

One section of 2nd semester Freshmen Studies (Health)

If your child needs tutoring, here are the times we have available for extra help.
