Volume 1 Issue 1

FROM THE PRINCIPAL'S PEN ...

Greetings Hawk Community,

We made it through our first week of the second semester and back in the swing of things. Our students came back rested and happy to see each other and their teachers, at least I would like to think so.

As we head into this second semester it is crucial for all students but especially seniors on top of their grades, attendance, and behavior. First and foremost, seniors need to pass their classes needed for graduation as well as be present at school and not have more than 30 period absences. If you have any questions about your students attendance, please call the attendance office.
